Title: The New Riddle

Author: Vincent

Hello men, just to let
you know that I have
changed the password in
the other tent again due
to our recent
preparations. If you
all sit around the
table, I'm sure the
answer will come to
you.
Please bring the
Tinker to me as soon as
he crashes in on you all.
"What are two things on
opposite sides that never
see each other?"
